# TRACEMAXX

## TRACE ELEMENT PACKAGE

### Product description

TRACEMAXX is a professional liquid trace element package used to complement your core fertiliser program. Delivers 7 essential nutrients that your turf requires to reach its full potential with this easy-to-use Hose On bottle. Treats up to 200m<sup>2</sup>.

### Directions for use

Shake well. Apply in the cool hours of the day.

Remove two pin plug from top of cap.  
Attach to hose and turn on tap.  
Lift stop pin to start application.

For smaller areas under 200m<sup>2</sup>, less than the full container will be required. Any remaining product can be used for a later application.

Not required to be watered in after application.

**FOR REFILLS, BE SURE TO  
PURCHASE ME IN 5L CONCENTRATE!**

### When to use

- Where trace element deficiencies exist
- To complement core granular fertiliser applications for ultimate turf health
- Can be applied monthly.

### Storage

Store in closed container in a dry, cool ventilated area.

### Warning

**KEEP OUT OF REACH OF CHILDREN**

Safe if used as per label directions. Avoid entering treated area until dry. This product can stain hard surfaces; care must be taken. To remove overspray thoroughly rinse with clean water immediately after application.
